

IN THE CIRCUIT COURT FOR BALTIMORE CITY

State of Maryland

Case No. 109007007

Helen L. Holton

Memorandum

In a Supplemental Motion to Dismiss and Memorandum In Support thereof, Defendant Helen L. Holton raised issues that are virtually identical to those raised by Defendant Sheila Ann Dixon in her Motion to Dismiss. The Court has dealt with these issues in a Memorandum filed in Defendant Dixon’s case and found no merit to them.

After a review of the similar grounds raised by Defendant Holton for dismissal, the Court finds, for the reasons stated in the Memorandum filed in the Dixon case, which the court incorporates here, that the Motion should be denied on those grounds. A separate memorandum will deal with the issue of legislative immunity.
